2022-2023 Community Development Block Grant Public Hearing #3.

The Public Hearing was presented by Carrie J Haberstich, Planning Supervisor

The CDBG entitlement amount remains unknown, so an estimate of \$600,000 is in the budget. In addition to the new entitlement, \$105,000 in unobligated funds and \$7,200 in program income are recommended to be applied to the Program Year 2022-23 budget. A balance of unobligated funds will be retained for emergencies for construction-related activities. **The total estimated budget is \$712,200.**

For the ninth year in a row, the Department of Housing and Urban Development (HUD) is requesting that the Village not submit its Annual Action Plan until the entitlement amount is known. We are proceeding with our typical public hearing schedule on the condition that flexibility is incorporated into the draft plan to accommodate a range of funding level possibilities. The following guidelines utilize a ±20% contingency if the funding is greater than, equal to, or less than the base entitlement estimate of \$600,000:

- Less than \$480,000: A substantial amendment to the Action Plan will be necessary.
- Less than \$600,000: An across-the-board proportional reduction will be pursued.
- **\$600,000: (“full funding”)** the funding will be distributed as budgeted.
- Less than \$712,200: The balance of the 15% services cap will be applied to the Village social worker position, and the balance of the entitlement funds will be applied to the Village’s Home Improvement Program up to \$90,000, and any remaining balance will be applied to the Neighborhood Enhancement Program.
- Greater than \$712,200: The balance above \$712,200 will be carried forward to the following program year. No substantial amendment to the Action Plan will be pursued.
- No project or service funding level will be less than \$3,000.
