Main Street Construction Scheduled for this Week

Beginning on July 9, 2014, the Village of Skokie will be performing work on Main Street between Crawford Avenue and McCormick Boulevard. This work should be completed within two days, weather permitting, and is required prior to the resurfacing of this street section later this year. The Village will post "No Parking" signs on both sides of the street on Tuesday, July 8, and traffic will be allowed to proceed in each direction during the construction activities. The community's patience with this construction project is greatly appreciated.
