2008 Directory of Immigrant Services

Presented by the:
Village of Skokie
Human Services Division
The Village of Skokie is proud of its multi-cultural community. People from every corner of the world make Skokie their home, and the countries and cultures represented in Skokie increase every year. The most recent combined report from Skokie’s school districts show that nearly 100 different languages and dialects, other than English, are spoken in our homes. Every year since 1991, Skokie has celebrated its diversity with the two-day Skokie Festival of Cultures. Flags of the many countries represented at each year’s Festival of Cultures are on display throughout the year at the Flags of Nations display at McCormick Boulevard and Dempster Street.

The Village of Skokie is fortunate to have support from The Chicago Community Trust for outreach to our diverse community. Through its new Immigrant Integration Initiative, The Trust has provided the Village with funding for programs to assist Skokie residents who are new to this country and need assistance settling into the American way of life. This Directory of Immigrant Services is intended to help immigrant residents find important services for them and their families. Another program funded by The Trust is Skokie’s Immigrant Information Series that takes place at the Skokie Public Library on the first Monday evening of each month. This program is scheduled through March 2009 and includes speakers on housing, employment, special education services for children, adult education, health care, insurance and other important topics. The Village has also hosted an International Leadership Academy, designed for immigrants who are ready to take on leadership positions in the greater community. The Village of Skokie is grateful to The Chicago Community Trust for its generous support of these initiatives.

I hope that you will find this Directory of Immigrant Services helpful. As always, the Village welcomes your comments on how to improve this directory and other immigrant outreach services. Please contact the Village at info@skokie.org or at 847/933-8257 for further information or with comments on any of Skokie’s immigrant integration programs.

Very truly yours,

George Van Dusen
Mayor
