

# Fair & Affordable Housing Is a Human Right!

- Do you struggle to pay your rent?
- Has a landlord ever discriminated against you?
- Have you ever had to “couch surf” or double-up with relatives or friends...or have you ever been homeless?

Please come out to:

- Share your experience!
- Learn about a Cook County fair housing project that you can participate in.

A \$25 gift card will be raffled at each meeting, and you will hear how you can learn to advocate and share your story through our program.

We will provide compensation for your time if you choose to participate in our program in 2020.
