

## COVID-19 Vaccines Available for Skokie Residents and Workers Employed in Skokie

Do you need a **third** dose or Moderna or Pfizer?

**PLEASE READ:**

**You can ONLY register for a **third** dose if you:**

- Been receiving active cancer treatment for tumors or cancers of the blood
- Received an organ transplant and are taking medicine to suppress the immune system
- Received a stem cell transplant within the last two years or are taking medicine to suppress the immune system
- Moderate or severe primary immunodeficiency (such as DiGeorge syndrome, Wiskott-Aldrich syndrome)
- Advanced or untreated HIV infection as evidenced by a CD4 count of less than 200 cells/mm<sup>3</sup>
- Active treatment with high-dose corticosteroids or other drugs that may suppress your immune response

**If you said yes to the above, you may register here:**

[MODERNA COVID-19 Clinics - Village of Skokie Health and Human Services \(juvare.com\)](https://www.juware.com/moderna-clinics)

[PFIZER COVID-19 Clinics - Village of Skokie Health and Human Services \(juvare.com\)](https://www.juware.com/pfizer-clinics)

**\*See other community vaccination options at Walgreens, CVS, some pop-up community clinics and more.**
