JOB IDENTIFICATION

Position Title:	PUBLIC HEALTH PROGRAM COORDINATOR/ANALYST
Salary Range:	A 210
FLSA:	Exempt
Department:	Health & Human Services
Division:	Administration
Reports to:	Health & Human Services Director
Supervises:	None

JOB PURPOSE

Under general direction from the Director of Health and Human Services, plays a key leadership role in community health efforts required for the assessment, planning, development, and implementation of the health and human services community health assessment plan and programs, including budgeting, grant management, and a wide variety of complex, analytical, financial management tasks, and special project coordination. Work is performed under general direction and requires initiative and sound independent judgment.

ESSENTIAL JOB FUNCTIONS

- Assist the Director of Health and Human Services and provide direction to the Community Health Supervisor and Environmental Health Supervisor with preparing the annual budget, including analysis, preparation, and monitoring. Provide the Director with monthly reports detailing expenditures by line item.
- Coordinate State of Illinois IPLAN re-certification every five years and manage the successful implementation of identified IPLAN priorities and associated strategies, goals and objectives.
- Manage, facilitate and provide leadership for Health and Human Services' initiatives pertaining to health disparities including maintaining a working relationship with community health partners and attending working groups on behalf of the Health and Human Services Department.
- Prepare regular, systematic statistical analyses of all departmental programs in cooperation with the Director of Health and Human Services, Community Health Supervisor and Environmental Health Supervisor.

- Actively seek new sources of grant funding and prepare grant applications. Serve as Grant Coordinator for grants secured through the Department, ensuring that reimbursement requests are submitted and paid, required reports are submitted, and grant deliverables are completed on time.
- Provide the Director of Health and Human Services with a monthly Department grant summary report, including deliverables, deadlines and expenditures by grant.
- Involves extensive research, analysis, and presentation of written reports.

OTHER RESPONSIBILITIES

- Staff IPLAN committee meetings, prepares minutes, and handles correspondence.
- Prepares operational and other ad hoc reports as needed or requested.
- Completes tasks and assignments associated with administrative support functions, at the request of the Director of Health and Human Services.
- Attends Board of Health and Village Board meetings as required.
- Performs other duties as assigned.

KNOWLEDGE / SKILLS / ABILITIES

- Must have excellent oral/written communication skills.
- Good knowledge of the principles and practices of community health planning and program management.
- Excellent interpersonal skills and ability to work well on multidisciplinary teams.
- Proficient in Microsoft Word, Excel, PowerPoint and database computer applications.
- Principles, methods and practices of municipal budgeting and finance.
- Organize data in clear, understandable formats including graphs, charts, and memorandums.
- Establishes and maintains organized, accessible and current systems in accordance with applicable standards, policies and procedures.
- Ability to effectively manage and prioritize multiple projects and to effectively function in a team environment.
- Ability to follow all safety rules and regulations of the Village.

EDUCATION / TRAINING / EXPERIENCE

- Bachelor's degree with major course work in Public Health or Public Administration required. Master's degree preferred.
- One to two years of professional experience in public health project planning and the development, administration, and evaluation of grant or grant-funded programs; budget development and analysis; and planning or research, in a program area directly related to public health or public administration.

OTHER NECESSARY REQUIREMENTS / LICENSES

- Valid driver's license.

PHYSICAL AND ENVIRONMENTAL CONDITIONS

The functions of this position are representative of sedentary work with occasional exertion of 20 pounds of force. The work is regularly in an indoor environment, in an office setting that is quiet except for office equipment background noises. Subject to frequent interruptions by telephone callers and walk-in visitors. Employee may be required to visit other Village office locations as well as other public/private sites throughout Skokie.

While performing the duties of this position, the employee is constantly required to sit, talk, listen, hear the normal range of sounds, read written reports, use hands to operate essential office equipment including computer/typewriter keyboard, telephone, etc. Visual acuity is important. The employee is frequently required to stand and periodically move to other locations within the building.
